

## OUR COFFEE

***Freshly-roasted** Guatemalan coffee sold in a specialty bag created to enhance the **natural** flavor through a one-way valve. The coffee has a **sweet, rich** flavor, with notes of **toffee** and **chocolate**. This coffee is grown and harvested, with traditions and special care that makes this high-end coffee stand out.*

All proceeds are donated to [ODIM](#) to provide access to healthcare and preventative health education for the San Juan and San Pablo La Laguna communities. To **donate** directly, choose the option below. Donate multiples of \$10 or [contact us](#) to donate a custom amount!
